DECLARATION

On the Compliance of Packaging with Regulation (EU) 2025/40 (PPWR)

Company: BUDESHTNOST AD
Address: Industrial Zone No. 1, Chirpan, Bulgaria
Date: 15 September 2026

We hereby declare that the packaging used by BUDESHTNOST AD for packing and delivering the products manufactured by our company has been assessed on the basis of the information and documentation provided by the respective packaging suppliers.

According to the information and documents received from our suppliers, the packaging used complies with the applicable requirements of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR), including the requirements concerning heavy metal content and restrictions on certain substances.

Detailed information on the packaging used is provided in the attached table.

This declaration is based on the information and documentation provided by our packaging suppliers and available to our company as of the date of issue. It does not constitute a statement that our company has conducted independent laboratory testing of the packaging materials.

Should changes occur in the packaging used, or should new information be received from suppliers that may affect the declared compliance, the information will be reviewed and this declaration will be updated where necessary.

This declaration is issued for submission to customers in connection with information on the compliance of the packaging used for the delivery of our products.

You can find the latest version of the declaration on our website:
