Badestnost JSCo., Industrial zone, 6200 Chirpan, Bulgaria

States

Badestnost JSCo manufactures valves, hand pumps and spare parts for these assemblies. The products are targeted for industrial applications and they are sold to authorized distributors in the whole world.

REACH: Article 33 of European REACH Regulation requires suppliers to inform recipients if an article contains more than 0.1% (weight by weight) of any substance on the candidate list of Substances of Very High Concern (SVHC) to allow safe use of the article including, as a minimum, the name of that substance

Badestnost JSCo does not intentionally add any substance on the candidate list of Substances of Very High Concern as a raw material or processing aid in the manufacturing of our products.

Based on the information received from our suppliers of raw materials, components, assemblies, and processing aids used to manufacture our products, we would like to inform you that there is no information about the presence of substance on the candidate list of Substances of Very High Concern in our products.

The latest list of SVHCs and more detailed information can be found on the ECHA website at <https://echa.europa.eu/bg/candidate-list-table>. To ensure compliance with the requirements of the European REACH Regulation, it is subject to periodic review for changes.

RoHS: All products with electrical or electronic equipment produced by Badestnost JSCo are in compliance with European Union's Restriction on use of Certain Hazardous Substances in Electrical and Electronic Equipment Directive 2011/65 and is periodically reviewed for changes.
